Protein Plus
14-2-5 with traces
Liquid Fertilizer

Use Instructions

Turf Maintenance

Apply 8 ounces per 1000 sq. ft. every two weeks in 2 gallons of water on high profile sites like greens and tees. Increase rates based on the need for nitrogen and desired color response. 10 oz per 1000 sq. ft. provides 1/10 of a pound of nitrogen.

Seed Establishment

Apply 10 ounces per 1000 sq. ft. every week in 2 gallons of water, cutting back to a maintenance rate once the turf is established.

Tank mix with other EarthWorks liquid products for maximum effectiveness.

Protein Plus can be tank mixed with most turf products, a bench test is always recommended.

Guaranteed Analysis

Total Nitrogen (N)	14.00%
0.7% Ammoniacal Nitrogen	
2.0% Nitrate Nitrogen	
11.3% Urea Nitrogen	
Available Phosphate (P ₂ O ₅)	2.00%
Soluble Potash (K ₂ O)	5.00%
Boron (B)	0.02%
Iron (Fe)	1.0%
Manganese (Mn)	0.16%
Molybdenum (Mo)	0.01%
Zinc (Zn)	0.17%

Derived from: Kelp Extract, Molasses, Calcium Nitrate, Potassium Nitrate, Ammonium Sulfate, Urea, Ammonium Phosphate, Iron Sulfate, Manganese Sulfate, Zinc Sulfate, Boric Acid and Sodium Molybdate.

CAUTION: Because of the Molybdenum content in this product, please do not feed any resulting crops to ruminant animals.

Condition of Sale

1. Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on the label when used in accordance with

directions under normal conditions of use. No one, other than an officer of Seller, is authorized to make warranty, guarantee or direction concerning this product.

2. Because the time, place, rate of application and other conditions of use are beyond Seller's control, Seller's liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price.

Storage Precautions

Store in manufacturer's containers when possible. If not, store in polyolefin or polyethylene storage tanks. Do not store for extended periods in mild steel and only in approved fiberglass. Although stainless steel tanks are less prone to corrosion than mild steel, they are not recommended for extended storage. Do not use nylon fittings and valves. PVC or polypropylene valves and fittings are recommended.

CAUTION: KEEP OUT OF REACH OF CHILDREN

WARNING

Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat, and/or skin. Avoid contact with the eyes, skin and clothing. If swallowed: induce vomiting by sticking finger down throat. Never give anything by mouth to unconscious person. Get medical attention immediately. If in eyes, wash eyes with plenty of clear water for at least 15 minutes. Get medical attention immediately.

Keep stored above 32°F or 0°C
